Name of Property: N/A  
Date of Property: Late 19th C. - dwelling / early 20th C. - garage  
Historic District?: Yes  
Architectural Details: Front gable roof. Two-story dwelling with attic. Full-width porch with center gable roof and turn-spindle columns. Brick foundation. Third floor window with arched transom light. Horizontal siding.  
Notes from Secondary Resources: To the southwest is a one-story, hip-roofed projecting bay, and to the rear is a two-story addition with what seems to be a gable roof. To the southwest is a one-story shed-roof addition. Since 1992 survey, exterior changed from wavy asbestos to weather boards with corner boards, and roof changed from asphalt shingle to metal. Rear, two-story addition looks to be flat roofed with a porch on top with a balustrade surround (widow-watch like).
